

Can't Get Enough

U.D.O.

Again it's around seven
I'm burning like a candlelight
I don't know where I'm going
But I'm ready for this night
You'd better run for cover
Before I start to smile
No way there's time for wasting
Never walk in a line
Never walk in a line
Oh yeah
And I just keep going
Forget these boring times
And I'm hungry for desire
No way to live in a line
You'd better run for cover
Before I start to smile
No way there's time for wasting
Never walk in a line
Reckless and mean I'm ruling the scene - I never get
enough
Acting the night - I'm gone with the light - I can't
get enough
I never get enough
Again it's around seven
I'm burning like a candlelight
I don't know where I'm going
But I'm ready for this night
Reckless and mean I'm ruling the scene - I never get
enough
Acting the night - I'm gone with the light - I can't
get enough
Reckless and mean I'm ruling the scene - I never get
enough
Acting the night - I'm gone with the light - I can't
get enough
I never get enough
