I wake up feeling lost without you And the pain reminds me that I'm all alone Those dreams we had, are now a nightmare I feel just like a dog without a bone Now is now and then was then But I can't get used to being without you It's a brand-new start and now I know that I should've But I never ever thought I'd miss your eyes "say" here we go again All I need is you tonight Why don't you call All I need is you tonight To catch my fall I'd die for you over and over again But I guess you've heard it all before You say times have changed, changed your ways But your absence makes me need you more and more It's a brand-new start and now I know that I should've Loved you then... All I need is you tonight Why don't you call All I need is you tonight To catch my fall All I need is you tonight Why don't you call All I need is you tonight To catch my fall- that's all [SOLO] All I need is you tonight...
