

Dancing With an Angel

U.D.O.

Take my hand before I go
We'll never be alone
Look at all the lucky days
And places we have gone
Let me say a single word
A million other ways
But all I wanna see is now
A smile upon your face
Like I'm dancing - dancing with an angel
Like I'm dancing - never danced before
Like I'm dancing - dancing with an angel
Like I'm dancing - a dream I'm dancing on
Gave my heart into your hands
We are evermore
How can I repay you now
For all the years and more
All I know so deep inside
We will never fade
So let me take you by the hand
And lead you to the dance

[CHORUS]

Still I'm dancing through a dream with an angel
I don't wanna lose a part of your heart
Still you give me all the worlds I believe in
And I know that we will never part

[CHORUS]
