

Hot Tonight

U.D.O.

We don't give a damn what they do for a living
Everywhere we go we party just the same
Getting all my fun
With crazy little girls like you
Playing all your games acting like a fool
Screaming- feel the fire
Screaming- feel the fire- feel it now now now
'cause we are hot tonight- hot tonight
'cause we are hot tonight- hot tonight
Must be time to go I'm feeling hot and sweaty
Find a place to go to make it hard'n'heavy
Wasting all this time
Would be a silly thing to do
Please don't be a tease now it's time me and you
Screaming- feel the fire
Screaming- feel the fire- feel it now now now
'cause we are hot tonight- hot tonight
'cause we are hot tonight- hot tonight
Screaming- feel the fire
Screaming- feel the fire- feel it now now now
'cause we are hot tonight- hot tonight.....
