

# Man and Machine

U.D.O.

ALERT - ALERT - ALERT  
GENERAL ALERT IN SECTION NINE  
UNACCEPTABLE HUMAN SPECIMENS HAVE ENTERED THE AREA  
DRONES TO BATTLE STATIONS - DRONES TO BATTLE STATIONS  
DO YOU COMPLY - DO YOU COMPLY  
COMMUNICATION BREAKDOWN - COMMUNICATION BREAKDOWN  
Man and machine - the evil of a dream  
It's a necessary cut of the production zone  
Man and machine - it's a dissident team  
And it's gonna be all over when a fuse is blown  
We humans fight against the cyber trash  
Machines are loaded high  
Computerized - the tide we have to turn  
Robotic clash on section nine  
We're not gonna slave away  
Machines are not the law  
And we're gonna praise the day  
When humans take it all  
[CHORUS]  
Rise up and fight inside the standby-zone  
The sentinels electrified  
Man to man against the fatal drones  
We escalate to DEFCON FIVE  
[BRIDGE]  
[CHORUS]
