Princess Of the Dawn

Theres rain on the mountain A white frost on the moors Its an epoch of eternity Waters touch the holy shore Its a land of mystery The world of unseen eyes You can feel the shadow of a princess She waits for you inside The quardians of God play the pawns Beg for mercy - hail the queen Princess of the dawn In the war of the dragons Young blood ran its course They fell to his blade The knight iron horse A forgotten priest Disappearing in the haze A chamber of vestal virgins Twilight is her slave The wizard of oz moved the pawns Life for satan - dust to dust Princess of the dawn On the day of the testament The seventh moon was raging fire Heaven cried for the sacrifice The midnight sun was rising higher The beauty and the beast Lies in her royal crypt Her kiss is bitter sweet Death upon her lips The holy grail held the pawns Kings and bishops bow to grace Princess of the dawn The guardians of God play the pawns Beg for mercy - hail the queen Princess of the dawn A new day dawns for heaven and earth A first sunbeam is killing the night Once upon a time for ever more The gloom with the spirit of that lady in white Princess - princess - princess of the dawn Princess - princess - princess of the dawn Princess - princess - princess of the dawn Princess - princess - princess of the dawn
