

## Raiders of Beyond

U.D.O.

Raiders gonna open up the stargate  
The planetary call is here to stay  
Galactic energy's in all directions  
A ticket for a ride on a time machine  
Now the gate is open solar wide  
Million kingdoms are inside  
Raiders of beyond - energise  
Raiders of beyond - speed of light  
Raiders of beyond - blinding white  
Raiders of beyond - blaze eternity  
Systematical declining forces  
'n' gravity has lost 'n' gone for good  
Hypersonic engines scream for mercy  
The elements will bear and take the load
