

## Scream Killers

U.D.O.

Detrimental assets, money down the drain  
C-C-Cash in all their pockets  
(let's) ride the gravy train  
Playing at casinos, yachts and caviar  
Mistresses and champagne  
Apartments and fast cars  
[Bridge:]  
Dehumanise resources, fix the budget plan  
A grey suit revolution, hide the paper trail  
[Chorus:]  
You take a number for a number  
Take a penny for a dime  
A number for a number  
Another dirty crime  
Capital expenditure, global energy  
Upsize all the markets, cost is misery  
Siphon off the excess  
Secretive accounts  
Documents and contracts  
Third world body count  
[Bridge]  
[Chorus]
