

The Silencer

U.D.O.

One Million Ways To Leave This World
On Any Given Day
So Take Your Pick And You Must Choose
He'll Help You On Your Way

And All The Friends And Family
Are Better Not Aware
Just Where You Go In Privacy
The Secrets That You Share

The Silencer - The Silencer - And He Will Guide You Through
The Silencer - The Silencer - And He Can Guide You, Too

He'll Hold Your Hand And Be Your Guide
Your Guide From A To Z
And He Will Deal The Killing Pills
And Take You To The Rest

So Hold His Hand And Slip Away
Your Eyes Will Close Tonight
And Say A Wish That's Just For Him
And Drift Into The Light
