

Up To The Limit

U.D.O.

Too many things happened today Too many words I don't wanna say
I wanna be cool but the heat's coming up I'm ready to kill 'ca
use enough is enough

All I can say -- out of my way Before I get to the top All I ca
n feel is wild running blood Please stop -- you better watch it

It's getting up to the limit Up to the limit It's getting up to
the limit Up to the limit

Do me a favour and leave me alone The most I love you is when y
ou're gone Please, disappear and don't come back I'm not the ki
nd of guy you can check

All I can say -- out of my way Before I get to the top All I ca
n feel is wild running blood Please stop -- you better watch it

It's getting up to the limit Up to the limit It's getting up to
the limit Up to the limit

To the limit -- up to the limit To the limit -- up to the limit

It's getting up to the limit Up to the limit It's getting up to
the limit Up to the limit

Up to the limit

It's getting up to the limit Up to the limit It's getting up to
the limit Up to the limit

To the limit -- up to the limit To the limit -- up to the limit
