

## Winter Dreams

U.D.O.

There's snow on the mountains, and fog in the street; Flickering  
candles in the room. Hear the churchbell ring. See the children  
playing. I feel their pure delight, And the snow is falling,  
taking me away. Cold winter nights, cold winter dreams, Reflec  
ting the sound of my heart; it's my taste of freedom. Cold wint  
er nights, cold winter dreams, Don't try to tear me apart; cold  
winter dreams Find myself in peace, warm from underneath. Wish  
you would be here in this magic scene. I've escaped from reali  
ty, dancing in the snow. Cold, blue sky gives me the innocence  
I need. Cold winter nights, cold winter dreams, Freezing the he  
at in my heart; it's my taste of freedom. Cold winter nights, c  
old winter dreams, Chill me and tear me apart; cold winter drea  
ms. The world seemed so clear, like a woman's vagina, Can't ima  
gine there's meanness. Can't imagine one lie But when I'm dead a  
nd gone and snow's pouring down, I'm buried and covered, peace  
ful under millions of stars. Cold winter nights, cold winter dr  
eams, Reflecting the sound of my heart; it's my taste of freedo  
m. Cold winter nights, cold winter dreams, Don't try to tear me  
apart; cold winter dreams
