

## Destroy the nation

U.S. Bombs

A fucking lie! this ain't reality  
A lie right down to your history  
Can't even cover up their mistakes  
How much more are you gonna take?

Breaking bricks and breaking rocks  
All day to pay the rent  
The moon is full, the sun is down  
And we're running out of trends

It's up to you! Up to you!  
Come one we gonna move

Recession ain't got hold on me  
Employment won't get the best of me  
A quarter in my pocket babe  
Tonight you buy the drinks!!  
Environment. Governmental corporate crunch  
It ain't dumb luck, that you're getting fucked  
It's up to you, it's up to you!  
Come on, we gotta move

Destroy the nation, burn it down!
