

Just a Mess

U.S. Bombs

I ain't no good for you
You ain't no good for me
Gonna do what I wanna do
Baby yer kinda strange

Let me inside of you

Looks like a real beauty day
No fun gonna run away
No shoes, got none to lose
Boxed in the alley trade

Let me inside of you

I'm Just a mess,
Numbered, no address

I ain't no good for you
You ain't no good for me
Gonna do what I wanna do
Baby yer kinda strange

Let me inside of you
beat me black & blue
Let me inside of you
beat me black & blue
Let me inside of you
