

Outta Touch

U.S. Bombs

give me a dirty job im defected give me a new disease so infect
ed all the smog i need the city air is green and all i wanna be
is out of it outta touch i dont listen outta touch i dont care
outta touch i pissed it away outta touch im out of hand dont w
anna work for the man hey and im dont with the corner mna eh im
on a boat alone with no river to go and no one knows cuz the r
aft is gone im out of it and i dont care out of touch im out of
hand?
