

## Outta Touch

U.S. Bombs

give me a dirty job im defected give me a new disease so infect  
ed all the smog i need the city air is green and all i wanna be  
is out of it outta touch i dont listen outta touch i dont care  
outta touch i pissed it away outta touch im out of hand dont w  
anna work for the man hey and im dont with the corner mna eh im  
on a boat alone with no river to go and no one knows cuz the r  
aft is gone im out of it and i dont care out of touch im out of  
hand?
