abbrasive around old sensitives  
targets himself  
cannon fodder remenates  
he slowly blows away  
walk thru it all and dont look back  
you get a blast! youth goes!

the danger zone is soft to him  
they dont understand

dont listen to them  
they want you to toss it in the can  
dont give it up to be an old man  
then theirs a blast! youth goes!  
youth goes!  
theres a blast! youth goes on!
