youth goes

street survives a cocky kid suburban casualty care free young and dont fit in abbrasive around old sensitives targets himself cannon fodder remenates he slowly blows away walk thru it all and dont look back you get a blast! youth goes!

the danger zone is soft to him they dont understand there on the sidelines pulling at you dont listen to them they want you to toss it in the can dont give it up to be an old man then theirs a blast! youth goes! youth goes! theres a blast! youth goes on! **U.S. Bombs**
