All I Want Is You

You say you want a diamond on a ring of gold. You say you want your story to remain untold.

All the promises we made from the cradle to the grave When all I want is you.

You say you'll give me a highway with no one on it Treasure just to look upon it All the riches in the night. You say you'll give me eyes on a moon of blindness A river in a time of dryness A harbor in the tempest.

All the promises we make From the cradle to the grave When all I want is you.

You say you want your love to work out right To last with me through the night You say you want a diamond on a ring of gold Your story to remain untold Your love not to grow cold

All the promises we break From the cradle to the grave When all I want is you.

Yooooo hoooo! All I want is yooooo hooo! All I want is yooooo hooo! All I want is you!
