

Catching your bright blue eyes
In the freeze frame
I've seen them so many times
I feel like I must be your best friend
You're looking fine, so fine, oh my,
Dressed up like a lovely day

slow down child, let me untie your lace
cover girl with natural grace
How could beauty
be so kind to an ordinary guy?

Coming home late at night to turn you on
Checking out every frame I got slow motion on my side
Turning around and around with the sound and colour
Under my control
Round and around, going down, dressed up like a lovely day

Babyface, Babyface tin foil hair all tied up in lace
Babyface, Babyface bitter sweet girl won't you give me a taste
How could beauty be so kind to an ordinary guy?

Do do do... etc.

Babyface, Babyface, slow down child, let me untie your lace
Babyface, Babyface, open that door let me unpack my case
Babyface, Babyface you're everywhere child
You're all over the place
Babyface, Babyface, you're coming to me from outerspace
How could beauty be so kind to an ordinary guy?
