

1. The heart is a bloom,  
shoots up through the stony ground  
But there's no room,  
no space to rent in this town  
You're out of luck,  
and the reason that you had to care,  
the traffic is stuck,  
and you're not moving anywhere.  
You thought you'd found a friend,  
to take you out of this place

Someone you could lend a hand  
in return for grace

R: It's a beautiful day,  
the sky falls you feel like  
It's a beautiful day  
Don't let I get away

2. You're on the road but you've got no destination  
You're in the mud, in the maze of her imagination  
You love this town even if it doesn't ring true  
You've been all over and it's been all over you

R:

Touch me, take me to the other place  
Teach me, I know I'm not a hopeless case

See the world in green and blue  
See China right in front of you  
See the canyons broken by cloud  
See the tuna fleets clearing the sea out  
See the bedouin fires at night  
See the olive fields at first light  
See the bird with a leaf in her mouth  
After the flood all the colours came out

It was a beautiful day  
Beautiful day  
Don't let it get away

Touch me, take me to that other place  
Reach me, I know I'm not a hopeless case

What you don't have you don't need it now  
What you don't know you can feel it somehow  
What you don't have you don't need it now  
You don't need it now, you don't need it now  
Was a beautiful day.....
