

City Of Blinding Lights

U2

The more you see the less you know
The less you find out as you go
I knew much more then that I do now

Neon heart, day glow eyes
A city lit by fire flies
They're advertising in the skies
For people like us

And I miss you when you're not around
I'm getting ready to leave the ground

Oh you look so beautiful tonight
In the city of blinding lights

Don't look before you laugh
Look ugly in a photograph
Flash bulbs, purple irises
The camera can't see

I've seen you unafraid
I've seen you in the clothes you made
Can you see the beauty inside of me
What happened to the beauty I had inside of me

And I miss you when you're not around
I'm getting ready to leave the ground
Oh, you look so beautiful tonight
In the city of blinding lights

Time, time, time, time
Time won't leave me as I am
But time won't take the boy out of this man

Oh, you look so beautiful tonight
Oh, you look so beautiful tonight
Oh, you look so beautiful tonight
Yeah, the city of blinding lights

The more you know the less you feel
Some pray for, other steal
Blessings are not just for the ones who kneel
Luckily
