

## Even Better Than The Real Thing

U2

Give me one more chance,  
and you'll be satisfied  
Give me two more chances you won't be denied  
Well my heart is where it's always been  
My head is somewhere in between  
Give me one more chance  
let me be your lover tonight

You're the real thing, yeah the real thing  
You're the real thing  
Even better than the real thing

Give me one last chance and I'm gonna make you sing  
Give me half a chance to ride on the waves that you bring  
You're honey child to a swarm of bees  
Gonna blow right through you like a breeze  
Give me one last dance, we'll slide down the surface of things

You're the real thing, yeah the real thing  
You're the real thing  
Even better than the real thing

We're free to fly the crimson sky  
The sun won't melt our wings tonight  
Oh now, here she comes

Take me higher, take me higher  
Can you take me higher?  
Will you take me higher?

You're the real thing, yeah the real thing  
You're the real thing

Even better than the real thing  
Even better than the real thing  
Even better than the real thing.
