

# Everlasting Love

U2

Hearts gone astray, deep in hurt when they go  
I went away just when you needed me so  
You won't regret, I'll come back beggin' you  
Don't you forget, welcome love we once knew.

Open up your eyes  
Then you'll realise  
Here I stand with my  
Everlasting Love.

Need you by my side  
Girl to be my pride  
You'll never be denied  
Everlasting Love

From the very start open up your heart  
Be elected part of Everlasting Love  
This love will last forever.  
This love will last forever.

Hearts gone astray, deep in hurt when they go  
I went away just when you needed me so  
You won't regret, I'll come back beggin' you  
Don't you forget, welcome love we once knew.

Where life really flows, no-one really knows  
'Till someone's there to  
show the way to Everlasting Love.

Like the sun it shines, endlessly it shines  
You always will be mine with eternal love.

Whenever love went wrong, ours would still be strong  
We'd have our very own Everlasting Love

This love will last forever  
This love will last forever

Open up your eyes, then you'll realise  
Everlasting love

Everlasting love  
Everlasting love  
Everlasting love  
Everlasting love
