

Everlasting Love

U2

Hearts gone astray, deep in hurt when they go
I went away just when you needed me so
You won't regret, I'll come back beggin' you
Don't you forget, welcome love we once knew.

Open up your eyes
Then you'll realise
Here I stand with my
Everlasting Love.

Need you by my side
Girl to be my pride
You'll never be denied
Everlasting Love

From the very start open up your heart
Be elected part of Everlasting Love
This love will last forever.
This love will last forever.

Hearts gone astray, deep in hurt when they go
I went away just when you needed me so
You won't regret, I'll come back beggin' you
Don't you forget, welcome love we once knew.

Where life really flows, no-one really knows
'Till someone's there to
show the way to Everlasting Love.

Like the sun it shines, endlessly it shines
You always will be mine with eternal love.

Whenever love went wrong, ours would still be strong
We'd have our very own Everlasting Love

This love will last forever
This love will last forever

Open up your eyes, then you'll realise
Everlasting love

Everlasting love
Everlasting love
Everlasting love
Everlasting love
