

## FEZ-Being Born

U2

Let me in the sound,  
Let me in the sound,  
Let me in the sound, sound

Let me in the sound,  
Let me in the sound,  
Let me in the sound, sound

Six o'clock  
On the autoroute  
Burning rubber, burning chrome  
Bay of Cadiz and ferry home  
Atlantic sea cut glass  
African sun at last

Lights... flash past...  
Like memories  
A speeding head, a speeding heart  
I'm being born, a bleeding start  
The engines roar, blood curling wail  
Head first then foot  
The heart sets sail
