

Gone

U2

You get to feel so guilty, got so much for so little
Then you find that feeling just won't go away
You're holding on to every little thing so tightly
Till there's nothing left for you anyway

You can keep this suit of lights
I'll be up with the sun
And I'm not coming down
I'm not coming down
I'm not coming down

You get to feel so guilty...

Goodbye...

And I'm already gone
Felt that way.... all along
Closer to you every day
I didn't want it that much any way...

You're taking steps that make you feel dizzy
Then you get to like the way it feels
You hurt yourself, you hurt your lover
Then you discover what you thought was freedom was just greed

Goodbye, no emotional goodnight
We'll be up with the sun
Are you still holding on?
I'm not coming down
I'm not coming down
