

Hawkmoon 269

U2

Like a desert needs rain
Like a town needs a name
I need your love
Like a drifter needs a room

I need your love
I need your love

Like a rhythm unbroken
Like drums in the night
Like sweet soul music
Like sunlight
I need your love

Like coming home
And you don't know where you've been
Like black coffee
Like nicotine
I need your love
I need your love
I need your love
I need your love
Oooooooooo ooo I need your love (I need your love)

When the night has no end
And the day yet to begin
As the room spins around
I need your love, I need your love

Like a Phoenix rising needs a holy tree
Like the sweet revenge of a bitter enemy
I need your love (I need your love)

Like the heat needs the sun, like honey on her tongue
Like the muzzle of a gun, like oxygen
I need your love (I need your love)
I need your love (I need your love)
I need your love (I need your love)

When the night has no end
And the day yet to begin
As the room spins around
I need your love (I need your love Hey!)
I need your love (I need your love)
I need your love (I need your love)
I need your love (I need your love)
I need your love (I need your love)

Like thunder needs rain,
like a preacher needs pain
Like tongues of flame,
like a sweet stain
I need your love I need your love
Like a needle needs a vein,
like someone to blame

Like a thought unchained, I
like a runaway train
I need your love
I need your love
I need your love (I need your love)
I need your love
I need your love
I need your love (I need your love)
Ow!

Like faith needs a doubt, like a freeway out
I need your love
Like powder needs a spark, like lies need the dark
I need your love

In the heart of the beat of love
In the heart of the beat of love
