

# I'll Go Crazy If I Don't Go Crazy Tonight

U2

She's a rainbow and she loves the peaceful life  
Knows I'll go crazy if I don't go crazy tonight  
There's a part of me in the chaos that's quiet  
And there's a part of you that wants me to riot

Everybody needs to cry or needs to spit  
Every sweet tooth needs just a little hit  
Every beauty needs to go out with an idiot  
How can you stand next to the truth and not see it  
Oh, a change of heart comes slow

It's not a hill, it's a mountain  
As you start out the climb  
Do you believe me or are you doubting  
We're gonna make it all the way to the light  
But I know I'll go crazy if I don't go crazy tonight

Every generation gets a chance to change the world  
Pity the nation that won't listen to your boys and girls  
'Cos the sweetest melody is the one we haven't heard  
Is it true that perfect love drives out all fear  
The right to appear ridiculous is something I hold dear  
Oh, but a change of heart comes slow

It's not a hill, it's a mountain  
As you start out the climb  
Listen for me, I'll be shouting  
We're gonna make it all the way to the light  
But you now I'll go crazy if I don't go crazy tonight

Baby, baby, baby  
I know I'm not alone  
Baby, baby, baby  
I know I'm not alone

Oh oh oh

It's not a hill, it's a mountain  
As we start out the climb  
Listen for me, I'll be shouting  
Shouting to the darkness  
Squeeze out sparks of light

You know we're gonna go crazy  
You know we'll go crazy  
You know we'll go crazy if we don't go crazy tonight

Oh, slowly now  
Oh, be slow
