

In A Little While

U2

In a little while surely you'll be back
In a little while I'll be there
In a little while this hurt will hurt no more
I'll be home, love

When the night takes a deep breath
And the daylight has no end
If I crawl, if I come crawling home
Will you be there

In a little while I will blow by every breeze
Friday night running to Sunday on my knees
That girl, that girl she's mine and
And I've know her since

Since you were a little girl with Spanish eyes
Oh, when I saw her in a pram they pushed her by
Uuuuh Uuh my, how you've grown
Well it's been it's been a little while

Slow down my bleeding heart
Man dreams one day to fly
man takes a rocketship into the skys

He lives on starlets dying in the night
And follows in the trail
The scatter of light

Turn it on
Turn it on
You turn me on
Mh Mhhhhhhmm

Slow down my bleeding heart

Slowly, slowly love

Slow down my bleeding heart
Slowly, slowly love
Slow down my beating heart
Slowly, slowly love
