

Something is about to give
I can feel it coming
I think I know what it means
I'm not afraid to die
I'm not afraid to live
And when I'm flat on my back
I hope to feel like I did

'Cause hardness, it sets in
You need some protection
The thinner the skin

I want you to know
That you don't need me anymore
I want you to know
You don't need anyone, anything at all

Who's to say where the wind will take you
Who's to know what it is will break you
I don't know which way the wind will blow
Who's to know when the time has come around
Don't wanna see you cry
I know that this is not goodbye

In summer I can taste the salt in the sea
There's a kite blowing out of control on a breeze
I wonder what's gonna happen to you
You wonder what has happened to me

I'm a man
I'm not a child
A man who sees
The shadow behind your eyes

Who's to say where the wind will take you

Who's to know what it is will break you
I don't know where the wind will blow

Who's to know when the time has come around
I don't want to see you cry
I know that this is not goodbye

Did I waste it?
Not so much I couldn't taste it
Life should be fragrant
Rooftop to the basement
The last of the rock stars
When hip-hop drove the big cars
In the time when new media
Was the big idea
That was the big idea
