

# Kite

U2

Something is about to give  
I can feel it coming  
I think I know what it means  
I'm not afraid to die  
I'm not afraid to live  
And when I'm flat on my back  
I hope to feel like I did

'Cause hardness, it sets in  
You need some protection  
The thinner the skin

I want you to know  
That you don't need me anymore  
I want you to know  
You don't need anyone, anything at all

Who's to say where the wind will take you  
Who's to know what it is will break you  
I don't know which way the wind will blow  
Who's to know when the time has come around  
Don't wanna see you cry  
I know that this is not goodbye

In summer I can taste the salt in the sea  
There's a kite blowing out of control on a breeze  
I wonder what's gonna happen to you  
You wonder what has happened to me

I'm a man  
I'm not a child  
A man who sees  
The shadow behind your eyes

Who's to say where the wind will take you

Who's to know what it is will break you  
I don't know where the wind will blow

Who's to know when the time has come around  
I don't want to see you cry  
I know that this is not goodbye

Did I waste it?  
Not so much I couldn't taste it  
Life should be fragrant  
Rooftop to the basement  
The last of the rock stars  
When hip-hop drove the big cars  
In the time when new media  
Was the big idea  
That was the big idea
