

Roam

The phone is where I live till I get home  
And when the doorbell rings  
You tell me that I have a key  
I ask you how you know it's me

The road

No road without a turn  
And if there was, the road would be too long  
What keeps us standing in this view  
Is the view that we can be brand new

The landlady takes me up in the air  
I go, I go where I would not dare  
The landlady shows me the stars up there  
I'm weightless, weightless when she is there  
And I'll never know  
Never know what starving poets meant  
'Cause when I was broke  
It was you that always paid the rent  
Oh yeah, oh yeah

Space

Her place is where I found my parking space  
And when I'm losing ground  
You know she gives it back to me  
She whispers, don't do, just be

The landlady takes me up in the air  
I go, I go where I would not dare  
The landlady shows me the stars up there  
I'm weightless, weightless when she is there  
And I'll never know  
Never know what starving poets meant  
'Cause when I was broke  
It was you that always paid the rent

Every wave that broke me  
Every song that wrote me  
Every dawn that woke me  
Was to get me home to you, see  
Every soul that left me  
Every heart that kept me  
The strangers that protected me  
To bring me back to you  
Every magic potion  
Every false emotion  
How unswerving our devotion  
To the lies we know are almost true  
Every sweet confusion  
Every grand illusion  
I will win and call it losing  
If the prize is not for you
