Magnificent

Oh, oh, Magnificent

I was born, I was born to be with you

In this space and time

After that, and ever after, I haven't had a clue, only to regret

This foolishness can leave a heart black and blue, oh

Only love, only love can leave such a mark

But only love, only love can leave such a scar

I was born, I was born to sing for you

I didn't have a choice

To lift you up

And sing whatever song you wanted me to

I give you back my voice, from the womb

My first cry, it was a joyful noise, oh

Only love, only love can leave such a mark

And only love, only love can leave such a scar

Just a fire, till we die, you and I will magnify

Oh magnificent, magnificent
