I want to trip inside your head Spend the day there... To hear the things you haven't said And see what you might see

I want to hear you when you call Do you feel anything at all? I want to see your thoughts take shape And walk right out

Freedom has a scent Like the top of a new born baby's head

The songs are in your eyes
I see them when you smile
I've seen enough I'm not giving up
On a miracle drug

Of science and the human heart There is no limit There is no failure here sweetheart Just when you quit...

I am you and you are mine Love makes nonsense of space And time...will disappear Love and logic keep us clear Reason is on our side, love...

The songs are in your eyes
I see them when you smile
I've seen enough of romantic love
I'd give it up, yeah, I'd give it up
For a miracle, a miracle drug, a miracle drug

God I need your help tonight

Beneath the noise
Below the din
I hear a voice
It's whispering
In science and in medicine
"I was a stranger
You took me in"

The songs are in your eyes
I see them when you smile
I've seen enough of romantic love
I'd give it up, yeah, I'd give it up
For a miracle, miracle drug

Miracle, miracle drug
