```
Johnny took a walk with your sister the moon
Let her pale light in to fill up your room
You've been living underground, eating from a can
You've been running away from what you don't understand (love)
She's slippy, you're sliding down
She'll be there when you hit the ground
It's alright...it's alright...it's alright
She moves in mysterious ways
It's alright...it's alright...it's alright
She moves in mysterious ways
Johnny take a dive with your sister in the rain
Let her talk about the things you can't explain
To touch is to heal, to hurt is to steal
If you want to kiss the sky
Better learn how to kneel (...on your knees boy!)
She's the wave, she turns the tide
She sees the man inside the child
It's alright...it's alright...it's alright
She moves in mysterious ways
                                                 (3x)
It's alright...it's alright...it's alright
Lift my days...light up my nights
One day you'll look back and you'll see
Where you were held how by this love
While you could stand there
And not move on this moment
Follow this feeling
It's alright...it's alright...it's alright
She moves in mysterious ways
It's alright...it's alright...it's alright
We move through miracle days
Spirit moves in mysterious ways
```

She moves with it, she moves with it Lift my days and light up my nights
