

New Year's Day

U2

1. All is quiet on New Year's Day
A world in white, gets underway
And I want to be with you, be with you night and day

Nothing changes on New Year's Day
On New Year's Day

R: I will be with you again
I will be with you again

2. Under a blood red sky
A crowd has gathered in black and white
Arms entwined, the chosen few
Newspaper say, says, say it's true, it's true
And we can break through
Though torn in two, we can be one

R: I, I will begin again
I, I will begin again, yeah
