I know a girl who's like the sea
I watch her changing every day for me
Oh yeah
Oh oh oh oh oh

One day she's still, the next she swells You can hear the universe in her sea shells Oh yeah Oh oh oh oh oh

No, no line on the horizon, no line

I know a girl with a hole in her heart She said infinity is a great place to start Oh oh oh oh oh oh

She said "Time is irrelevant, it's not linear"
Then she put her tongue in my ear
Oh oh oh oh oh oh

No, no line on the horizon No, no line No, no line on the horizon No, no line

The songs in your head are now on my mind You put me on pause
I'm trying to rewind and replay

Every night I have the same dream
I'm hatching some plot, scheming some scheme
Oh yeah
Oh oh oh oh oh oh

I'm a traffic cop, rue du Marais
The sirens are wailing but it's me that wants to get away
Oh oh oh oh oh oh

No line on the horizon No, no line No, no line on the horizon No, no line
