

One step closer

U2

1. I'm 'round the corner from anything that's real
I'm across the road from hope
I'm under a bridge in a rip tide
That's taken everything I call my own

R1: One step closer to knowing
One step closer to knowing

2. I'm on an island at a busy intersection
I can't go forward, I can't turn back
Can't see the future
It's getting away from me, I just watch the tail lights glowing

R2: One step closer to knowing
One step closer to knowing
One step closer to knowing
Knowing, knowing

3. I'm hanging out to dry with my old clothes
Finger still red with the prick of an old rose
Well the heart that hurts
Is a heart that beats, can you hear the drummer slowing?

R2: One step closer to knowing... (2x)
