Heaven on Earth
We need it now
I'm sick of all of this
Hanging around

Sick of sorrow
I'm sick of the pain
I'm sick of hearing
Again and again
That there's gonna be
Peace on Earth

Where I grew up
There weren't many trees
Where there was we'd tear them down
And use them on our enemies

They say that what you mock
Will surely overtake you
And you become a monster
So the monster will not break you

And it's already gone too far You said that if you go in hard You won't get hurt

Jesus can you take the time To throw a drowning man a line Peace on Earth

Tell the ones who hear no sound Whose sons are living in the ground Peace on Earth

No who's or why's No one cries like a mother cries For peace on Earth

She never got to say goodbye To see the color in his eyes Now he's in the dirt Peace on Earth

They're reading names out Over the radio All the folks the rest of us Won't get to know

Sean and Julia

Gareth, Anne, and Breeda Their lives are bigger than Any big idea

Jesus can you take the time To throw a drowning man a line Peace on Earth To tell the ones who hear no sound Whose sons are living in the ground Peace on Earth

Jesus in the song you wrote The words are sticking in my throat Peace on Earth

Hear it every Christmas time
But hope and history won't rhyme
So what's it worth

This peace on Earth
Peace on Earth
Peace on Earth
Peace on Earth
