

# Sometimes You Can't Make It On Your Own

U2

1. Tough

You think you've got the stuff  
You're telling me and anyone  
You're hard enough

You don't have to put up a fight  
Don't always have to be right  
Let me take some of the punches  
For you tonight

R: Listen to me now

I need to let you know  
You don't have to go it alone

And it's you when I look in the mirror  
And it's you when I don't pick up the phone  
Sometimes you can't make it on your own

2. We fight all the time

You and I that's alright  
We're the same soul

I don't need  
Don't need to hear you say  
That if we weren't so alike  
You'd like me a whole lot more

R: Listen to me now...

\*: I know that we don't talk

I'm sick of it all  
Can you hear me when I  
Sing  
You're the reason I sing  
You're the reason why the opera's in me  
Hey now  
Still got to let you know  
A house doesn't make a home  
Don't leave me here alone

And it's you when I look in the mirror  
And it's you that makes it hard to let go  
Sometimes you can't make it on your own  
Sometimes you can't make it  
Best you can do is to fake it  
Sometimes you can't make it on your own
