1. Tough

You think you've got the stuff You're telling me and anyone You're hard enough

You don't have to put up a fight Don't always have to be right Let me take some of the punches For you tonight

R: Listen to me now
I need to let you know
You don't have to go it alone

And it's you when I look in the mirror And it's you when I don't pick up the phone Sometimes you can't make it on your own

2. We fight all the time You and I that's alright We're the same soul

I don't need
Don't need to hear you say
That if we weren't so alike
You'd like me a whole lot more

R: Listen to me now...

*: I know that we don't talk
 I'm sick of it all
 Can you hear me when I
 Sing
 You're the reason I sing
 You're the reason why the opera's in me
 Hey now
 Still got to let you know
 A house doesn't make a home
 Don't leave me here alone

And it's you when I look in the mirror And it's you that makes it hard to let go Sometimes you can't make it on your own Sometimes you can't make it Best you can do is to fake it Sometimes you can't make it on your own
