I'm not afraid
Of anything in this world
There's nothing you can throw at me
That I haven't already heard

I'm just trying to find
A decent melody
A song that I can sing
In my own company

I never thought you were a fool But darling look at you You gotta stand up straight Carry your own weight These tears are going nowhere baby

You've got to get yourself together You've got stuck in a moment And now you can't get out of it

Don't say that later will be better Now you're stuck in a moment And you can't get out of it

I will not forsake
The colors that you bring
The nights you filled with fireworks
They left you with nothing

I am still enchanted
By the light you brought to me
I listen through your ears
Through your eyes I can see

And you are such a fool
To worry like you do
I know it's tough
And you can never get enough
Of what you don't really need now
My, oh my

You've got to get yourself together You've got stuck in a moment And you can't get out of it

Oh love, look at you now You've got yourself stuck in a moment And you can't get out of it

I was unconscious, half asleep
The water is warm 'til you discover how deep

I wasn't jumping, for me it was a fall It's a long way down to nothing at all

You've got to get yourself together You've got stuck in a moment

And you can't get out of it

Don't say that later will be better Now you're stuck in a moment And you can't get out of it

And if the night runs over And if the day won't last And if our way should falter Along the stony pass

And if the night runs over And if the day won't last And if your way should falter Along this stony pass

It's just a moment
This time will pass
