

The Fly

U2

It's no secret that the stars are falling from the sky
It's no secret that our world is in darkness tonight
They say the sun is sometimes eclipsed by a moon
You know I don't see you when she walks in the room

It's no secret that a friend is someone who lets you help
It's no secret that a liar won't believe anyone else
They say a secret is something you tell one other person
So I'm telling you, child

R:

Love, we shine like a	A man will beg
Burning star	A man will crawl
We're fallin' from	On the sheer face of love
	Like a fly from the wall
The sky... tonight	It's no secret at all

It's no secret that a conscience can sometimes be a pest
It's no secret that ambition bites the nails of success
Every artist is a cannibal Every poet is a thief
All kill their inspiration and sing about their grief

Love, we shine like a	A man will rise
Burning star	A man will fall
We're falling from	From the sheer face of love
The sky... tonight	Like a fly from the wall
	It's no secret at all

It's no secret that the stars are falling from the sky
The universe exploding 'cosa one man's lie
Look I gotta go, yeah I'm running out of change
There's a lot of things if I could I'd rearrange
