

The Three Sunrises

U2

Spirit of the rising sun lift me up
Hold me there and never let me fall
Love me till I die, my heart won't wait
Soon I will be down in this love song

In this love, love song
In this love. love song
Hey hey, love won't find
Find it's own way home

It's a love song, love
Love, love song...

Sunshine, sunshine on me
Sunshine, sunshine on me
In this love, love song
Hey hey, love won't find
Find it's own way home

In this love song
Love song, love song
Sunshine, sunshine on me
Bring it through to my home
I will give you everything
I will give you my desire
Love song, love song
