

Two hearts beat as one

U2

I don't know, I don't know which side I'm on
I don't know my right from left, or my right from wrong
Say I'm a fool, say I'm not for you
But if I'm a fool for you, that's something

R: Two hearts, beat as one
Two hearts beat as one
Two hearts, beat as one
Two hearts, beat as one

I don't know
I don't know which side I'm on
I don't know my right from left
Or my right from wrong
Say I'm a fool
You say I'm not for you
But if I'm a fool for you
Oh, that's something

R:

Can't stop the dance
Honey, this is my last chance
I said, can't stop the dance
Maybe this is my last chance

R:

Beyond on black
Beyond white
Beyond anything
Go and get it right

Beyond on you
Beyond on me
I don't know

I don't know
How to say what's got to be said
I don't know if it's black or white

There's others see it red
I don't get the answers right
I'll leave that to you
Is this love out of fashion
Or is it the time of year
Are these words dissection
To the words you wanna hear

R:

I try to spit it out
I try to explain
The way I feel
Oh, yeah
Two hearts

I can't stop the dance
Maybe this is my last chance
I said I can't stop the dance
Maybe this is my last chance
I said don't stop the dance
Maybe this is my last chance
I said can't stop the dance
Maybe this is our last chance

Maybe this is my last chance,
Maybe this is our last chance
