Sunshine, sunshine Sunshine, sunshine

Oh, oh Oh, oh

I was lost between the midnight and the dawning In a place of no consequence or company 3:33 when the numbers fell off the clock face Speed-dialing with no signal at all

Go, shout it out, rise up
Oh, oh
Escape yourself and gravity
Hear me, cease to speak that I may speak
Shush now
Oh, oh
Force quit and move to trash

I was right there at the top of the bottom On the edge of the known universe Where I wanted to be I had driven to the scene of the accident And I sat there waiting for me

Restart and re-boot yourself You're free to go Oh, oh Shout for joy if you get the chance Password, you, enter here, right now

Oh, oh
You know your name so punch it in
Hear me, cease to speak that I may speak
Shush now
Oh, oh
Then don't move or say a thing
