

# Wake Up Dead Man

U2

Jesus,  
Jesus help me  
I'm alone in this world  
And a fucked world it is too

Tell me  
Tell me the story  
The one about eternity  
And the way it's all gonna be...

R: Wake up  
Wake up dead man (2x)

Jesus  
I'm waiting here boss  
I know your looking out for us  
But maybe your hands aren't free

Your father  
He made the world in seven  
He's in charge of heaven  
Will you put a word in for me

R: (2x)

Listen to the words they'll tell you what to do  
Listen over the rhythm that's confusing you  
Listen to the reed in the saxophone  
Listen over the hum of the radio  
Listen over the sounds of blades on rotation  
Listen through the traffic and circulation  
Listen as hope and peace try to rhyme  
Listen over marching bands playing out their time

R: (2x)

Jesus  
Were you just around the corner  
Did you think and try to warn her  
Or are you working on something new

If there's an order  
In all of this disorder  
Is it like a tape recorder  
Can we rewind it just once more

R: (2x)
