

And love is not an easy thing
the only package that you can bring
Love is not an easy thing
the only package that you can bring is
All that you can't leave behind

And if the darkness is to keep us apart
And if the daylight feels like it's a long way off
And if your glass heart should crack, before the second you back
Oh no, be strong

R: Walk on
Walk on
What you got, they can't steal it
No they can't even feel it.
Walk on
Walk on
Stay safe tonight

You're packing a suitcase for a place, none of us has been
A place that has to be believed, to be seen
You could have flown away
A singing bird, in an open cage
Who will only fly, only fly, for freedom

R: Walk on
Walk on
What you got
You can't deny it
Can't sell it or buy it
Walk on
Walk on
You stay safe tonight

And I know it aches
How your heart it breaks
You can only take so much

Home... Hard to know what it is
If you never had one
Home... I can't say where it is, but I know I'm going
Home... That's where the heart is
And you know it aches
And your heart it breaks
You can only take so much
Walk on
Leave it behind. You've got to leave it behind
All that you fashion,
all that you make,
all that you build,
all that you break,
all that you measure,
all that you feel,
all this you can leave behind
All that you reason,
all that you care...
