

Where The Streets Have No Name

U2

1. I wanna run I want to hide
I wanna tear down the walls that hold me inside
I wanna reach out and touch the flame
Where the streets have no name.

2. I wanna feel, sunlight on my face
See that dust cloud disappear without a trace
I wanna take shelter from the poison rain
Where the streets have no name, ho

R: Where the streets have no name
Where the streets have no name
We're still building then burning down love,
burning down love
And when I go there,
I go there with you
It's all I can do

3. The city's a flood, and our love turns to rust
We're beaten and blown by the wind, trampled in dust
I'll show you a place high on a desert plain, yeah

Where the streets have no name

R: Where the streets have no name...

*: Our love turns to rust
We're beaten and blown by the wind
Blown by the wind. Oh and I see love,
see our love turn to rust
And we're beaten and blown by the wind, blown by the wind
Oh when I go there
I go there with you, it's all I can do
