- I wanna run I want to hide
 I wanna tear down the walls that hold me inside
 I wanna reach out and touch the flame
 Where the streets have no name.
- 2. I wanna feel, sunlight on my face See that dust cloud disappear without a trace I wanna take shelter from the poison rain Where the streets have no name, ho
- R: Where the streets have no name
 Where the streets have no name
 We're still building then burning down love,
 burning down love
 And when I go there,
 I go there with you
 It's all I can do
- 3. The city's a flood, and our love turns to rust We're beaten and blown by the wind, trampled in dust I'll show you a place high on a desert plain, yeah

Where the streets have no name

- R: Where the streets have no name...
- *: Our love turns to rust
 We're beaten and blown by the wind
 Blown by the wind. Oh and I see love,
 see our love turn to rust
 And we're beaten and blown by the wind, blown by the wind
 Oh when I go there
 I go there with you, it's all I can do
